Five Star Financial Bank

Listed below are the various home loans available to members of Five Star Financial Bank. Learning about different kinds of loans will help you make an informed decision. Review the loan choices below and decide which loan is right for your situation.

Fixed-Rate Mortgage Loan - This loan ensures that your interest rate and monthly principal repayment remain the same during the entire period of your loan. This loan protects you from rising interest rates and may be a good choice if you plan to live in your home for a long time.

Adjustable-Rate Mortgage Loan - Your interest rate remains fixed for the initial 5 years, and then is adjusted annually. Typically, this loan has a lower initial interest rate than on a fixed-rate mortgage.

Interest-Only Mortgage Loan - During the initial 5 years of the loan, you are required to make payments on interest only. This option is suitable for those with fluctuating incomes. When your finances are tight, you can make the interest-only payment. And when your earnings increase, you can make payments on principal.

Home Opportunity Loan - This special loan is designed for first-time home buyers. You do not need a large down payment and a perfect credit rating in order to qualify for this loan.

Subject: Re: Tee Time and Dinner for 10

Hello,

I saw your ad in the newspaper and I have a couple quick questions about your deals. First, we have a group of ten golfers. Now I know most courses generally limit a group to four players to keep up the pace of play, but I was really hoping you could make an exception for us and allow two groups of five. We will even rent golf carts to ensure that we don't cause a delay. As for the \$5 gift cards to the pro shop, I was wondering if they could be pooled together for one large purchase. It is my son's birthday and I would like to buy him a new putter and they are awfully expensive these days. \$50 bucks could go a long way to giving him a great gift!

We would like to tee off around 11:30 A.M. on Saturday, July 20th, and then have dinner there at about 6:00 P.M. Please write back to confirm our tee time and answer my queries. Thank you for your time!

Have a great day,

Logan Mankins

Dear Members of the Clayton Library,

Thank you for your continued support of the Clayton Library. Your monthly membership fees help us to obtain new books, computers, journal subscriptions, and other resources that are useful to the entire community. We would like to inform you of some special upcoming events this month you may be interested in attending.

First, famous children's book author and storyteller Ebert Butler will be visiting our library. He will be reading from his new book, *The Mysterious Cat*, and signing autographs. His book was recently nominated for the Children's Book of the Year Award. Kathy Butler, Mr. Butler's wife, will also be in attendance at this event. She has drawn the pictures in most of Mr. Butler's books, including *The Mysterious Cat*. This event costs \$10 but is provided free for library members.

Later in the month, renowned wildlife photographer Nina Brooks will be holding an exhibition on the main floor of the library. Ms. Brooks recently returned from a trip to Kenya, where she photographed cheetahs, giraffes, elephants, and other animals. Her photographs capture the vividness of the wildlife and the majesty of nature.

In addition to these two featured events, there will be a variety of workshops, games nights, and other events this month. Check the attached calendar for details. All events, including Movie Night, are free unless noted otherwise.
